

ANJEC's 2007 New Jersey Environmental Achievement Awards

Each year, ANJEC presents awards to recognize exceptional work by environmental commissions and groups. Now is the time to nominate your commission, organization or another group for a 2007 ANJEC Environmental Achievement Award, for projects implemented since January 1, 2006. Projects funded through ANJEC Smart Growth Planning grants are not eligible for Environmental Achievement Awards. The judges will use the following criteria.

- ✓ impact
- ✓ originality
- ✓ response to a need
- ✓ effectiveness
- ✓ educational value
- ✓ supporting information
- ✓ clarity of application

ANJEC will present the awards at the 34th annual New Jersey Environmental Congress on Saturday, October 12, at Mercer County Community College in West Windsor. We invite each winning organization to bring a display of their project to the Congress.
