Now is the time to nominate your commission, organization or another group for a 2010 ANJEC Environmental Achievement Award, for projects implemented since January 1, 2007 and completed by August 31, 2010. The judges will use the following criteria:

- clarity of presentation

ANJEC will present the awards at the 37th annual ANJEC Environmental Congress on Friday, October 15th at Brookdale Community College, Warner Student Life Center, in Lincroft. We invite each winning organization to bring a display of their project to the Congress.
